4050		4050

Employees have a duty to provide reasonable supervision of students. Employees shall be alert at all times and, at a minimum, immediately report situations that may pose a threat to the safety of students or any other person on school system property, at school events or any other situation in which students are under the authority of school employees.

Employees with personal knowledge or actual notice of a student altercation are expected to take reasonable measures to maintain a safe school environment. Reasonable measures include but are not limited to issuing verbal directives to end the altercation, immediately reporting the situation to the administration or other appropriate authority, using reasonable force, and removing bystanders from the immediate area. For purposes of this policy, reasonable force is the use of limited physical contact or restraint to the extent necessary to re-establish a safe environment. Employees shall follow any additional instructions or guidance from supervisors in implementing this policy and shall comply with Board Policy 2322 (Use Of Seclusion And Restraint).
