

Transfer Policy Amendment Options for students who withdraw and return

- A. A transfer may be approved if the request is to return to the student's prior school when the student has withdrawn from WCPSS and reenrolled.
- B. A transfer may be approved if the request is to return to the student's prior school when the student has been withdrawn from WCPSS due to a parent's sabbatical or other job relocation.
- C. A transfer request may be approved for students who withdraw from WCPSS for periods of extended leave of up to one year. Examples of extended leave that may be approved include but are not limited to: parent's sabbatical, professional reassignment, military deployment, missionary or civil service that require temporary family relocation, temporary family relocation to attend to family medical or personal needs such as medical and/or elder care of an immediate family member, family separation/divorce.
