

## Regional Choice Seat Availability Analysis - Jan 2011

<u>Report Element</u>	<u>Description</u>
Regional Choice School Name	Name of Regional Choice School
Group 1 List	Choice List for the Group 1 Magnet Schools (some schools have more than one list due to population density around the school)
Total K Seats Needed	Estimated number of Kindergarten seats required to seat students displaced by Group 1 magnet schools
High-Performing Regional School	Y = Yes
Actual K Capacity (2012-13)	Number of Kindergarten seats available at the school for 2012-13
Proximity Fill Rate - All Walk Zone plus Closest	Percentage of Kindergarten seats taken up at the school IF all students within the 1.5 mile "walk zone" and all students for whom it is their closest school request it as their first-choice school
Proximity Fill Rate - Closest ONLY	Percentage of Kindergarten seats taken up at the school if ALL students for whom it is their closest school are seated
Leftover Seats After All Walk Zone plus Closest plus 8% Set Aside	The number of Kindergarten seats remaining if ALL students within the 1.5 mile "walk zone" and ALL students for whom it is their closest school were to be seated AND if 8% of seats were set aside for students residing closest to Group 1 magnet schools.
Leftover Seats After All Walk Zone plus Closest plus 15% Set Aside	The number of Kindergarten seats remaining if ALL students within the 1.5 mile "walk zone" and ALL students for whom it is their closest school were to be seated AND if 15% of seats were set aside for students residing closest to Group 1 magnet schools.
Leftover Seats After Closest ONLY plus 8% Set Aside	The number of Kindergarten seats remaining if ALL students for whom it is their closest school were to be seated AND if 8% of seats were set aside for students residing closest to Group 1 magnet schools.
Leftover Seats After Closest ONLY plus 15% Set Aside	The number of Kindergarten seats remaining if ALL students for whom it is their closest school were to be seated AND if 15% of seats were set aside for students residing closest to Group 1 magnet schools.
