BACKGROUND

Staff will present to the Board of Education potential project lists for funding in a future bond. The lists will be based on funding scenarios discussed during the April 18, 2013 joint meeting with the Board of Commissioners. The list will be used for the basis of an official resolution from the BOE to the BOC requesting a bond to fund the projects.

NEXT STEPS / RECOMMENDATIONS

Board direct staff on any changes to the prioritization and/or size of the list. Staff will bring back the list to the May 7, 2013 board meeting to recommend approval of a final project list. This list would be discussed at the next joint meeting with the BOC. Then on May 21, 2013 staff recommends the BOE approve a resolution requesting funding from the BOC.
