AWARD CONTRACT FOR PRIVATE SECURITY SERVICES

**DEPARTMENT, BOARD/STAFF LIAISON(S), AND ANY PRESENTERS FROM  
OUTSIDE THE DISTRICT**

Russ Smith

**BACKGROUND**

AlliedBarton Security Services has provided private security services for the district via contract for the past six years. The current contract expires June 30, 2012. A decision was made to advertise a Request For Proposal (RFP) since it had been six years since going through this process last. The district started the process in March 21, 2012, with a deadline of submittal for April 13, 2012. Two vendors submitted proposals to provide the requested services. On April 25, 2012, both candidates provided a presentation for, and were interviewed by, a panel of district administrators. A careful review of the proposals was conducted by the panel. The panel unanimously recommends awarding a two year contract to AlliedBarton Security Services.

**FISCAL IMPLICATIONS**

Funds are available through budgeted security contract services in the amount of \$1,310,000.

**SAVINGS**

The proposal by the vendor will save the district approximately \$40,000.

**NEXT STEPS / RECOMMENDATIONS**

Staff will recommend Board approval at the Board meeting on June 5, 2012.
