

Targets for 2016-17 for WCPSS Strategic Plan

Draft
5/29/2012

1: Targets for High Academic Achievement for All Students

Focus Area	Grade or Group	Baseline 2010-11 (unless marked)		Target by 2016-17	
1. The percentage of students scoring in the "low risk" (Tier 1) category on curriculum-based measures (e.g. AIMSweb and DIBELS/DIBELS NEXT within mCLASS) will increase annually. Target: Reduce Tier 2 and 3 by one third by 2016-17.	Tier 1	AIMSweb	mClass	AIMSweb	mClass
	K (PSF)	56.8%	72.0%	71.2%	81.3%
	1 (NWF)	65.7%	64.0%	77.1%	76.0%
	2 (RCBM/ORF)	67.0%	61.0%	78.0%	74.0%
2. The percentage of students scoring in the "high risk" (Tier 3) category on curriculum-based measures will decrease annually. Target: Decrease Tier 3 by one third by 2016-17.	% in Tier 3	AIMSweb	mClass	AIMSweb	mClass
	K (PSF)	21.0%	6.0%	14.0%	4.0%

	LEP	31.9%	60.3%	66.0%	80.2%
	SWD	52.4%	63.8%	76.2%	81.9%
5. By subject, the percentage of students who complete Math I and English I (by the end of grade 9), and Biology (by the end of grade 10), with a grade of "C" or better will increase annually. Target: Increase of 10 percentage points by 2016-17.	Letter Grades	ABC	DF Other	ABC	DF Other
	Algebra I	77.1%	20.7%	87.1%	12.9%
	English I	70.6%	26.0%	80.6%	19.4%
	Biology I	76.2%	21.9%	86.2%	13.8%

Focus Area	Grade or Group	Baseline 2010-11 (unless marked)		Target by 2016-17	
6. The percentage of students in grade 9-11 who earn enough credits to be on track for graduation will increase annually. (based on promotion rates, which factor in number of credits and specific credits such as English to determine on track status) Target: Decrease those not on track by one third by 2016-17.	Grade	Retention in Grade	Promoted	Retention in Grade	Promoted
	9	15.2%	84.8%	10.2%	89.9%
	10	9.6%	90.4%	6.4%	93.6%
	11	7.4%	92.6%	5.0%	95.1%
7. The percentage of high school students enrolled in at least one Honors, AP, or IB class or a CTE Cluster as of grade 12 will increase annually. Note: Many students with a CTE cluster also have honors, AP, or IB courses.	Honors, AP, IB CTE Cluster	85.3%	7477/8765= 85.3% CTE adds 119 extra students Total of 7596 or 86.5% 31.7%	Set target this summer once 11-12 data are available. Increase of 5% to 91.5%? Increase half way from 86.5% to 100% or 93.3%?	
8. The percentage of students achieving scores of at least 24 on the ACT will increase annually.	ACT	NA	Set target this summer.	determine this fall once ACT scores come in Dropped SAT because score files can't be combined	
9. The percentage of students graduating from WCPSS will increase annually. Target: Reduce non-graduates by one fifth.	Total 4 year	80.9%		84.7%	
	Total 5 year	81.6%		85.4%

2: Reduce Achievement Gaps by Challenging Students at All Levels					
Target	Grade/ Subject	Baseline 2010-11 (unless marked)		Target by 2016-17	
1a. Reduce gaps by racial/ethnic, income, and special status subgroup in the percentage of students scoring in the “low-risk” (Tier 1) range on curriculum-based assessments (e.g., AIMSweb and DIBELS/DIBELS NEXT within mCLASS) by increasing underperforming groups’ performance at a faster rate than that of higher performing groups. Target: 50% reduction in students in Tier 2 or 3 by subgroup. <i>Note: Students are generally targeted for additional support based on academic needs, not demographic characteristics. Exceptions are LEP (based on English proficiency) and SWD (based on some identified disabilities). Supports should help subgroup performance indirectly.</i>	K(PSF) TIER 1	AIMSweb	mClass	AIMSweb	mClass

Target 1 will be measured annually through Oracle teacher data

Target 2 will be measured annually through review of the EVAAS teacher score results

Target 3 will be measured annually through a comparison of Oracle teacher data and NCWISE student data

Target 4 will be measured by annual review of professional development results

Target 5 will be measured based on comparison of annual teacher turnover from the state and school system

Target 6 will be measured by a comparison of annual NCES online system reports and state data

Target 7 will be measured by eSchools plus other methods to be determined

4: Supportive, Innovative, and Transparent Culture of Continuous Improvement Singularly Focused on Student Achievement

Targets for Culture of Continuous Improvement	2010-11 (unless marked)	Target by 2016-17
1. Every central office department will develop an annual work plan with all initiatives tied to the five focus areas		
2. Scorecards will be in place for every district office/department to ensure continuous improvement		
3. Dashboards will be in place for every district office/department to ensure continuous improvement		
4. Interim dashboards will link to year-end scorecards that display leading indicators designed to predict whether a school or the district is on-track to meet its year-end performance expectations		
5. Information Technology will develop a comprehensive Information Technology Strategic plan for the district to enable student achievement and operational efficiency through the deployment of appropriate technical solutions for students, families, our employees and the community		

Focus Area	Grade or Group	Baseline 2010-11 (unless marked)	Target by 2016-17
6. Facilities will develop a comprehensive building and renovation plan that anticipates the expected growth in student population in the district over the term of this strategic plan and responds with the appropriate facilities planning that builds schools in a cascading fashion in support of the new student assignment plan			
7. Future schools will be built taking advantage of future technology and energy saving capabilities			
8. Develop new innovative delivery models	Baseline 2011-2012 Created 2 new single-gender/early college 6-12		2012-2013 Open 3 innovative schools
9. Cultivate and manage relationships with local education leaders, state officials and external partners to build new and existing school innovation initiatives	Received approval of 2 cooperative innovative grants by SBE Requested nearly \$800,000 from state legislature for early college design Received \$50K from AJ Fletcher Foundation Engaged numerous local education leaders and state		By 2014-2015, Develop network of partners for innovation mapping. Leverage partners to secure funding and resources totaling minimal \$500,000/annually
10. Ensure that innovation programs and schools are rigorously monitored for efficacy, using data that measures student academic growth, graduation rates and percentage of students' college bound.			
11. Develop standardized criteria to streamline key district processes in school transition and/or start-up	Developed initial project tracking system while opening two new academies and converting K-5 to K-8 model.		By 2014-2015 Expand Office of School Innovation

Target 1 will be measured by the submission and posting of the departmental work plans

Target 2 will be measured by the submission and posting of the departmental scorecards

Target 3 will be measure by the submission and posting of the departmental dashboards

Target 4 will be measured by the submission and posting of the departmental interim dashboards

Target 5 will be measured by the submission and posting of a comprehensive Information Technology Strategic plan

Target 6 will be measured by the submission and posting of a comprehensive building and renovation plan

Target 7 will be measured by the number of schools built with consideration to future technology and energy-saving capabilities

Target 8 will be measured by the annual increase of innovative delivery models

Target 9 will be measured by the increase in relationships established with local education leaders, state officials and external partners and the development of new and existing school innovation initiatives

Target 10 will be measured by student EVAAS data, graduation rates as reported by NCDPI, and the percentage of college bound students

Target 11 will be measured by consistent utilization of key district processes in school transition and/or start-up

5. Targets for Engaging Family and Community Members

A survey is planned to collect baseline information and other data collection methods are under discussion.

Focus Area	Grade or Group	Baseline 2011-12	Target by 2016-17
------------	----------------	------------------	-------------------

Focus Area	Grade or Group	Baseline 2010-11 (unless marked)	Target by 2016-17
1. Increase in percentage of community members who are more informed, engaged and trusting, as evidenced by survey results.			
2. Increase in number of website hits, return visitors, time on-site, and pages viewed.			
3. Increase in number of success stories.			
4. Increase in stakeholder belief that they are being listened to and the district is using feedback constructively, as evidenced by survey results.			
5. Increase in number of staff serving as members of key community groups and organizations.			
Family Involvement			
1. Twenty percent increase in the number of contacts between families/parents and teachers, and the parent satisfaction level with parent/teacher interaction will be at least 80% as evidenced in a parent survey.			
2. The majority of parents (overall and within subgroups) will be involved in at least one student-led individual conference as evidenced in a parent survey.			
3. The majority of parents will have attended at least two school-based events as evidenced in a parent survey and reports from schools.			
4. Increase the use of SPAN and Blackboard and report on effectiveness.			
5. Schools (district offering by area/region?) will offer 2-3 workshops/year designed to build capacity of parents to support their child's learning, with topics selected based on parental interest as evidenced in meeting agendas. Attendance/participation will have increased at least 10% each year as evidenced in attendance rosters.			

Focus Area	Grade or Group	Baseline 2010-11 (unless marked)	Target by 2016-17
6. Title I Pre-K teachers will offer at least six family workshops per year and attendance will increase by at least 5% each year as documented by attendance rosters.			
7. Target 1-4 will be measured through an annual parent/community survey
