WORK SESSION PRECIS

Subject

2014 UPDATED ELEMENTARY CIRCLE MAP

**Department, Board/Staff Liaison(s), and any Presenters from
Outside the District**

Joe Desormeaux, Christina Lighthall

Main Points

Staff will present an updated 2014 circle map for elementary schools based on actual site acquisitions, 2013-14 membership data, and recent growth projections. This map reflects OREd's Student Potential Distribution Model based on this new data.

Fiscal Implications

The methods used to determine future school locations impact the scope of the capital improvement program and student assignment.

Savings

Not Applicable.

Recommendation for Action / Next Steps

For information and feedback only.
