Tina O'Neal, Director, Student Due Process

**BACKGROUND**

As part of the continuous review of suspension policies Student Support Services and the Student Due Process team met with a focus group of principals to review the Level 1 suspension data. Discussion revolved around reducing the number of suspensions at this level. Staff will provide the BOE with an overview of this review process as well as an overview of 2011-12 suspension data and the preliminary 2012-13 suspension data.
