REVISIONS TO BOARD POLICIES 2313/3013/4013

**DEPARTMENT, BOARD/STAFF LIAISON(S), AND ANY PRESENTERS FROM  
OUTSIDE THE DISTRICT**

David Neter

**BACKGROUND**

A revision to board policies 2313, 3013, 4013 is required and predicated upon a new FCC requirement, effective July 1, 2012, requiring provision of internet safety training to all students. The respective board policies have been revised to ensure that the Wake County Public School System will be in full compliance with the new FCC requirements and will not risk receipt of future E-Rate revenues. Staff will provide additional background and information on how training is provided.
