#### **BACKGROUND**

The Board of Education Policy Committee discussed and revised Board Policy 1322. The Policy Committee would like for the Board of Education to engage in further discussion regarding the following questions:

1. Does the Board of Education want to consider adding a “new business” section to the Board of Education meeting agenda?
2. Does the Board of Education want to create a mechanism for board members to add agenda items to the board meeting agenda?

An updated draft of Policy 1322 is provided including recommended revisions by the Board of Education Policy Committee at the committee meeting held July 31, 2012.
