

Administration's Proposed 2013-14 School Assignment Plan Summary of Feedback

Summary of feedback received to date (12/07/12):

- 1) Families wanting to maintain the feeder pattern from the choice assignments made during the 2012-13 school year
- 2) Families concerned about base assignments to schools of different calendars for elementary and middle school
- 3) Families wanting to provide suggestions for assignment changes not related to the opening of the three new schools
- 4) Families requesting a calendar change for their current school (multi-track year-round to single track and/or traditional)
- 5) Families with concerns about the proposed assignment changes based on the three new schools (see chart below)
