

Questions for IFB #251-26-136 – Curriculum Resources for Extended Content Standards

Reference	Vendor Question	Answers
Purpose/Scope of Work, page 3	Will the District review programs that address only the foundational skills component of ELA (i.e., not Math, Science, and Social Studies)?	No. The district is looking for a comprehensive curriculum resource that addresses the NC Extended Content Standards
	Would a digital only supplemental solution be considered?	Yes
	If renewal options are available, can pricing be adjusted at the time of renewal?	Possibly. Vendors would need to include that possibility in their proposal.
	Will this be awarded to one vendor or multiple vendors?	A comprehensive curriculum resource from one vendor is preferred but the district will consider multiple vendors if it best meets the needs of the district.
	What solution is the district currently using?	N2Y ULS
	When is the anticipated award date?	July 1, 2025
	How many students is this for?	Approximately 2,300 students or 300 classrooms
	Is the purpose of this solicitation to create an approved vendor list or does the district plan to issue a purchase order upon award?	The district plans to issue a purchase order once a decision is made.
