

## Question and Answers for IFB #251-25-335

### Network Services Equipment Replacement/Repair Parts

Reference	Vendor Question	Answers
Price List	Can you provide quantities for the requested items? Volume purchases allow for greater price breaks. It is also difficult to compute freight charges without specific quantities.	We don't have specific quantities, as we order as needed. Please provide prices per item and if price breaks are offered, please indicate on the price list.
	Can you provide annual usage on the items listed?	 IFB #251-25-335 Answers.xlsx  A few items were duplicated on the price list. Feel free to disregard these lines.
