

Questions for RFP #251-26-148 – Organizational Study

Reference	Vendor Question	Answers
Vendor Responses to RFP, page 5	What is Wake County Public School System’s budget for this engagement?	N/A
Vendor Responses to RFP, page 5	What is Wake County Public School System’s preferred start and end date for this engagement?	Start date as soon as possible upon award. Completion by January 2026.
Definition of Central Services Operations and Project Objective, pages 4-5	Are there specific operational areas or departments within Central Services that WCPSS considers priority areas for the organizational study?	The study is to cover all central services operational areas.
Definition of Central Services Operations and Project Objective, pages 4-5	Will the study focus equally on all operational areas (e.g., Academic Affairs, Special Education, Financial Services), or are there particular departments identified as higher priority?	The study is to cover all central services operational areas.
Project Objective, page 5	Are there any existing pain points or areas of concern that WCPSS leadership has already identified within Central Services that the study should address?	The study is to cover all central services operational areas.
Selected Vendor Requirements, page 6	Will WCPSS provide support in scheduling and coordinating stakeholder meetings, or is the vendor responsible for managing all logistics?	WCPSS will assist in coordinating access to WCPSS staff as determined necessary by WCPSS to assist Vendor in conducting the Study.
Deliverables, page 5	Will the vendor be expected to present findings to the Board of Education or any other specific stakeholder groups?	TBD
Vendor Responses to RFP (bullet 5), page 5	Are there any significant district events, holidays, or deadlines that could impact project scheduling (e.g., budget cycles, board meetings)?	District calendars are posted on WCPSS public facing websites. WCPSS will partner with selected Vendor to coordinate activities requiring WCPSS input for Vendor to conduct the work of the Study.
Project Objective and Vendor Responses to RFP (bullet 5), page 5	Are there any current or ongoing projects that may overlap with this study, potentially affecting data availability or staff availability?	The requested Study to review staffing levels in our central operations is a standalone project.
