

QUESTIONS & ANSWERS_RFP #251-26-153 – SANITATION SYSTEM for SCHOOL CAFETERIAS

Reference	Vendor Question	Answers
	What is the district currently paying for services related to a school nutrition sanitation system?	N/A
Page 5	Can the district please clarify if the sample request pertains only to those items requested as part of the annual set cost sanitation system, or if samples of additional offered items must also be submitted for consideration?	We are requesting samples of the chemicals that are being bid on.
	Can we bid an alternative chemical system?	We are open to reviewing an alternative system as long as it meets the Scope of Work.
