

### Questions for IFB #251-26-157 – Online Program to Support High School Students with Math IEP Goals

Reference	Vendor Question	Answers
	For pricing purposes, how many students are expected to use this solution?	3,600 student users
	Will this be awarded to one vendor or multiple vendors?	This will be awarded to one vendor.
	What solution is the district currently using?	Currently, there is no district-wide solution.
	When is the anticipated award date?	July 2025
	Is this intended for grades K-12?	This is intended for high school students. However, their math IEP goals may span the K-12 continuum. Therefore, the resource needs to support the entire continuum of computational math-focused skills.
	Is COI required to be submitted with our response?	No. COI can be submitted upon award.
	What is the duration of the contract, and are there options for renewal?	The initial award shall be for a one-year period. WCPSS reserves the right to extend the award for two additional one-year terms at the discretion of the district.
	Are electronic signatures acceptable?	Original signatures are preferred, but electronic signatures will be accepted.
