4		Could you please confirm whether installation is mandatory for this bid and advise if the due date can be extended.	No, installation is not part of this scope of work. The bid is specifically for the "furnishing and delivery" of surveillance cameras and equipment to replace damaged devices. The pricing template on Page 4 only requests unit prices for hardware and shipping. There is no line item or requirement for labor, wiring, or installation services.
5	Reference IFB Section: <u>Scope of Work</u> , Page 4	Description of line item in first position references AXIS Panoramic P3735-OLE2... this is not an active Axis part number.
