

## Questions for RFP # 251-27-135 (Diesel Exhaust Fluid)

Reference	Vendor Question	Answers
Section 19 – Default and Performance Bond	Will Wake County Public School System require a performance bond, irrevocable letter of credit, or other surety-style guarantee for this solicitation?	No
Exhibit B – Insurance Requirements	Can you please confirm the list of insurance policies applicable to this bid?	Top half section only of Exhibit B
Section 18 – Reciprocal Preference	Does Wake County have a local business preference applicable to this bid?	No
	Can you please provide the bid tabulations from the previous bid?	Attached as part of addendum
	Can you please provide the 3 most recent invoices for DEF delivered to 1551 Rock Quarry Rd?	Attached as part of addendum
	Who is the current incumbent?	None current – Last vendor used to purchase DEF was Sampson-Bladen Oil Company
	What is the requested pricing method? Fixed or NOLA Index differential?	Fixed price good through June 30, 2027
	As the only delivery location is a central receiving facility, do the background check requirements still apply even though drivers will not be near students?	No, background checks are only applicable if a driver might potentially, in any way, be alone with a WCPSS student
