VENDOR QUESTIONS	WCPSS ANSWERS
<i>The pads you reference on this bid comes in different colors. Can you tell us which color you are using now so I can relay the information to our manufacturer.</i>	<p>Since color and number varies from vendor to vendor , color and number should not come into play. The quality of the pad is in the Diamonds and/or Carbon that is in the pad (not the color or number).</p> <p>Vendors should send us their proposal(s) for the best version of a single-sided Clean and Shine (Clean and Buff) Pad they can supply.</p>

**This RFP is now in a quiet period.
