VENDOR QUESTIONS	WCPSS ANSWERS
<i>One time delivery or over the course of the year?</i>	Full truckload quantities can be delivered after the vendor's receipt of WCPSS Purchase Order. WCPSS prefers all deliveries to be completed within a reasonably short period of time. Bidding vendors should specify a delivery schedule timeframe, if needed. <u>Note:</u> All deliveries to be coordinated with the Custodial Director or his designee. Delivery trucks must be equipped with a lift gate and a pallet jack for off-site location delivery.
<i>How will WCPSS pay invoice? Credit Card, ACH, or check?</i>	WCPSS to issue a purchase order and will pay for delivered product on normal payments terms that the vendor has set up with the WCPSS accounts payable department.
<i>Why brand specific for this bid ?</i>	4 years ago, WCPSS did a bid for long-term floor care finish. Sample products were tested side-by-side and the Betco Untouchable was awarded. This standardization has assisted the custodial department in lowering our floor maintenance costs on a yearly basis .
<i>Is this project ONLY to purchase Betco product? Or, is it for the Betco AND refinishing of gym floors ?</i>	This bid has nothing to do with gym floor refinishing. Commodity purchase of product as specified.
