Pg. 3 SCOPE OF WORK	Would crescent ice be considered?	Yes, if the specs for machines are similar to specifications listed for cube.
	On this bid – the second ice maker is calling for 2 separate bins – D970 & D420. Is there one the district prefers over the other, as there is a significant difference in the cost.	These ice machines are specific to schools. Pricing to be quoted for both size bins, with the maker. 2 separate quotes.
	Ice Maker - Cube Style Hoshizaki Model No. FD-1002M_J(Z)-C (or similar) Bin adapter if needed. Should I include the bin adapter?	If the bin adapter is needed for the ice maker and bin to properly work together, the adapter would need to be included in the quote.
