

Questions for RFP #251-25-77 – School-Based Mental Health (Co-Located) Services

Reference	Vendor Question	Answers
	We are a non-profit organization that has put a lot of planning into launching an evident-based and effective service to our youth. The RFP emphasized stability of past operations as being very important, however we don't plan to launch until August for the new school year. Does this make the organization ineligible to submit a proposal?	This one item does not make an organization ineligible, however, past operations are an important element within the scoring rubric.
	How many students in the district are these services currently provided to?	For the 2023-2024 school year, there are 227 students receiving SBMH services
	Of these students, approximately how many qualify for Medicaid?	51% of students receiving SBMH have Medicaid insurance
Page 4: "All financial obligations related to the provisions of mental services will be the responsibility of the provider"	Can you please describe what kind of funding will be available for this project?	The only funding available for the SBMH program at this time is for Central Services staff who coordinate the program. There are no funds available to providers.
General	What is the anticipated award date and implementation start date?	Anticipated award date is end of May with a start date of July/Aug 2024.
