## **PROPOSAL EVALUATION**

All proposals will be evaluated by representatives of WCPSS. WCPSS may, at its sole discretion, ask for additional information and/or elect to conduct interviews with finalists to clarify information provided in the proposals.

The services that are the subject of this RFP are not required to be bid under North Carolina law, and none of the statutory requirements regarding public bidding apply to this RFP. This document, and not those statutes, will govern the selection process.

WCPSS shall not be required to award the contract to the lowest proposed compensation; nor shall WCPSS have any obligation to explain its decision to recommend or not to recommend any particular vendor or to invite or exclude any particular vendor from consideration at any stage of the process. Instead of recommending that contracts be awarded to one or more vendors who presented proposals, WCPSS may, at its sole discretion, reject the proposals and repeat the process, enter into direct contract negotiations with one or more vendors (possibly including vendors who have not previously submitted proposals) or take any other action WCPSS deems advisable under all circumstances.

WCPSS is expected to make any final selection(s) based upon any factors or considerations WCPSS deems relevant. Factors often considered include qualifications, relevant experience, fee, and ability to perform work in a timely manner. WCPSS retains sole discretion to award the contract to the vendor(s) it believes will best serve the interests of WCPSS and may consider any factors, documents, or information it deems relevant in making that determination. WCPSS shall not have any obligation to explain its decision to select or not select any individual vendors or to invite or exclude any individual vendors from consideration at any stage of the process. The decision of WCPSS to accept or reject any proposals and to award contract(s) to any one or more vendor(s) shall be final and not subject to further review.

Vendors are subject to *immediate disqualification* at any stage of the selection process for any of the following:

- The submission of false or misleading information in the vendor's proposal.
- Any efforts to dissuade or discourage other vendors from submitting proposals.
- Any efforts to influence, dictate, or change the terms of another vendor's proposal.
- Any form of bid collusion or bid rigging.

## **METHOD OF AWARD**

**All qualified proposals will be evaluated, and awards will be made to the Vendor(s) meeting the RFP requirements and achieving the highest and best final evaluation which is best for WCPSS. Upon award and issuance of contract, Vendors MUST be approved and/or authorized by The State of North Carolina to do business with The State of North Carolina. WCPSS reserves the right to waive any minor informality or technicality in proposals received. Vendor(s) awarded a contract as a result of this RFP will be for an initial duration of twelve months, with an option to renew for up to four additional one-year terms, provided the vendor continues to offer qualified contract resources at competitive rates.**

## **BACKGROUND**

WCPSS is the nation's 15th largest school district and the largest in North Carolina. With 123 elementary schools, 41 middle schools, 32 high schools, and 7 special schools. We serve over 161,000 students and have over 20,000 staff in the district. The district has multiple school calendars, and our school year begins the first week of July and ends June 30. A list of schools and locations can be found on the WCPSS website. <https://www.wcpss.net/>

## **PROJECT OBJECTIVES**

- Perform a comprehensive discovery and mapping of existing VMware workloads.
- Design a secure, compliant, and scalable cloud architecture (i.e., FERPA, NIST-171, etc.).
- Migrate workloads with minimal downtime, meeting defined RTO/RPO targets.
- Establish operational readiness with cloud-native monitoring, backup, and security controls.
- Deliver a complete post-migration operational handover and documentation package.

## **SCOPE OF WORK**

The Wake County Public School System (WCPSS) currently operates a single primary data center located in North Carolina, which supports 138 virtual machines (VMs) across production, infrastructure, testing, and development environments. These workloads run on a combination of Microsoft Windows and Red Hat Enterprise Linux platforms, collectively utilizing approximately sixty (60) terabytes of provisioned storage.

The district maintains a hybrid Information Technology (IT) ecosystem that integrates multiple enterprise platforms, including Microsoft services, Google Workspace, a district-wide Enterprise Resource Planning (ERP) system, and a Student Information System (SIS). Together, these systems form the backbone of daily academic, administrative, and operational functions across schools and central offices.

To address the growing demand for agility, resilience, and cost optimization, this initiative seeks to modernize the district's technology infrastructure by evaluating the migration of all VMware-based workloads, along with associated backup and recovery systems, to a cloud platform. The project will explore the adoption of cloud-native services to:

- Enhance scalability to meet fluctuating instructional and administrative needs.
- Improve resilience and disaster recovery capabilities.
- Streamline IT operations and reduce maintenance overhead.
- Achieve cost efficiencies through optimized resource utilization and pay-as-you-go models.

Ultimately, this modernization effort positions the district to support innovation in teaching, learning, and operations, while ensuring a secure, future-ready technology foundation. Vendor will include the following in their proposal:

- Integration with WCPSS IDP Cloud landing zone setup and/or validation.
- Full environment assessment and dependency mapping.
- Connectivity configuration (VPN, Direct Connect equivalents).
- Migration tooling setup (e.g., HCX, Cloud MGN, Cloud Endure, etc.).
- Pilot migration of non-critical workloads.
- Production migration in structured waves.
- Testing, validation, and application owner sign-off.
- Knowledge transfer and operational documentation including reference architecture diagram.
- Post-migration hyper care support (30–60 days).
- Continuous managed services post-stabilization (as required).
- Vendor will provide cost comparison of vendor provided licensing, and district provided licensing within their proposal.
- Setup/backup per local, state, and federal schedule and retention requirements.
- Disaster Recovery (DR) set up within the cloud environment.

**BUSINESS DRIVERS**

- **Data Center Modernization:** Move to a cloud-first strategy to reduce physical footprint, cut operational overhead, and eliminate reliance on aging infrastructure while enabling faster adoption of new and modern technologies.
- **Scalability & Flexibility:** Leverage elastic cloud resources to scale compute, storage, and networking on demand — supporting peak periods of need without costly overprovisioning.
- **Resiliency & Business Continuation:** Strengthen disaster recovery and ensure uninterrupted access to critical systems (SIS, ERP, instructional platforms) through fault-tolerant, high-availability, and geographically redundant architectures.
- **Operational Efficiency:** Streamline IT operations with automation and orchestration, reducing manual tasks and enabling staff to focus on innovation and strategic priorities.
- **Cost Optimization:** Right-size infrastructure, eliminate underutilized resources, reduce total cost of ownership, and improve budget predictability.
- **Stronger Security & Compliance:** Enhance protection of sensitive data with built-in cloud security controls.
- **Sustainability:** Lower energy use and reduce the district's environmental footprint by minimizing physical data center operations and leveraging the efficiency of large-scale cloud providers.

- Discovery & Assessment: Inventory all VMs, storage, and network topology; identify dependencies.
- Cloud Landing Zone & Architecture Design: Configure identity, monitoring, backup, and security.
- Pilot Migration: Migrate and validate a subset of non-critical workloads.
- Production Migration: Execute phased migration with replication and cutovers.
- Post-Migration Stabilization: Monitor performance, resolve issues, and finalize documentation.

These Certificates shall contain a provision that coverage afforded under the policies will not be canceled until at least thirty (30) days' prior written notice has been given to WCPSS, and that the Wake County Board of Education is listed as additional insured on general liability and automobile liability. **Provider agrees to maintain the appropriate insurance outlined in Exhibit B.** Other types of appropriate insurance may be required depending upon scope of services provided. Examples are aviation liability, pollution liability, crime, employee dishonesty/directors, and officers.

The successful vendor agrees to hold harmless and indemnify the Wake County Board of Education (WCBOE) for any liability that may arise from the negligent or illegal acts of the vendor's employees or agents.

30. **GENERAL INDEMNITY:** The provider shall hold and save WCPSS, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses, accruing or resulting to any other person, firm, or corporation furnishing or supplying work, services, materials, or supplies in connection with the performance of this contract, and from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the provider in the performance of this contract and that are attributable to the negligence or intentionally tortious acts of the provider. The provider represents and warrants that it shall make no claim of any kind or nature against WCPSS agents who are involved in the delivery or processing of contractor goods to WCPSS. The representation and warranty in the preceding sentence shall survive the termination or expiration of this contract.
31. **CANCELLATION (TERM CONTRACTS ONLY):** All contract obligations shall prevail for at least 180 days after the effective date of the contract. After that period, in addition to the provisions of the paragraph entitled Price Adjustments, for the protection of both parties, this contract may be canceled in whole or in part by either party by giving 30 days prior notice in writing to the other party.

After this period, a request for increase may be submitted with WCPSS reserving the right to accept or reject the increase or cancel the contract. Such action by WCPSS shall occur not later than 15 days after the receipt by WCPSS of a properly documented request for price increase. Any increases accepted shall become effective not later than 30 days after the expiration of the original 15 days reserved to evaluate the request for increase.
34. **Invoices:** It is understood and agreed that orders will be shipped at the established contract prices in effect on dates orders are placed. Provider specifically acknowledges that the school system retains the right to audit these records to ensure compliance with this section at any time in the school system's sole discretion. In addition, the school system may conduct additional criminal records checks at Provider's expense. If the school system exercises this right to conduct additional criminal records checks, Provider agrees to provide within seven (7) days of request the full name, date of

birth, state of residency for the past ten years, and any additional information requested by the school system for all contractual personnel who may deliver goods or perform services under this Agreement. Provider further agrees that it has an ongoing obligation to provide the school system with the name of any new contractual personnel who may deliver goods or provide services under the Agreement. **ETHICS AND THE PURCHASING FUNCTION Policy Code: 6401/9100**

The Wake County Board of Education is committed to conducting the purchasing function in an ethical manner and in compliance with state and federal laws and regulations. The Board expects all employees who are directly or indirectly involved in any aspect of the purchasing function to be aware of and comply with all current state and federal laws and regulations as these standards apply to the school system's purchasing activities. The Board's purchasing goals and principles will not be compromised by individuals motivated by personal gain.

Employees directly or indirectly involved in any aspect of the school system's procurement, purchasing, and/or contracting process for apparatus, materials, equipment, supplies, services, real property, or construction or repair projects, regardless of source of funds, must adhere to the following standards of conduct and those established in any policies regarding employee conflict of interest and 8305: Federal Grant Administration.

1. Employees are expected to make all purchasing-related decisions in a neutral and objective way based on what is in the best interest of the school system and not in consideration of actual or potential personal benefit.

2. Employees shall not participate, directly or indirectly, in making or administering any contract from which they will obtain a direct benefit, unless an exception is allowed pursuant to law.

An employee obtains a direct benefit when the employee or his or her spouse will receive income, commission, or property under the contract, or the employee or spouse has more than a 10 percent interest in an entity that is a party to the contract. See G.S. 14-234 and any policies regarding employee conflict of interest.

Participation in making or administering a contract includes, but is not limited to, participating in the development of specifications or contract terms; obtaining or reviewing bids; preparation or award of the contract; and having the authority to make decisions about, interpret, or oversee the contract.

3. Employees shall not participate, directly or indirectly, in the selection, award, or administration of a contract supported in whole or part by a federal grant or award if the employee has a real or apparent conflict of interest. See 2 C.F.R. 200.318 and policy 8305: Federal Grant Administration.

A real or apparent conflict exists when the employee, his or her immediate family member or partner, or an organization which employs or is about to employ any of those individuals, has a financial or other interest in or receives a tangible personal benefit from a firm considered for a contract. For purposes of this subsection, a "financial interest" means a financial interest which comprises more than five percent of the equity of the firm or business or more than five percent of the assets of the economic interest in indebtedness. It does not include an ownership interest held through a fiduciary, such as *Policy Code: 6401/9100* a mutual fund or blind trust, where the individual or individual's employer has no control over the selection of holdings.

4. Employees shall not influence or attempt to influence any person involved in making or administering a contract from which the employee will obtain a direct benefit as described in paragraph 2, above.

5. Employees shall not solicit or receive any gift, favor, reward, service, or promise of reward, including a promise of future employment, in exchange for recommending, influencing, or attempting to influence the award of a contract by the school system.

6. Employees shall notify the superintendent or designee in writing if they have an actual or potential conflict of interest under this policy or applicable state or federal law that would disqualify them from performing any aspect of their job responsibilities.

7. Employees shall not solicit or accept trips, meals, gratuities, gifts, favors, or anything of monetary value from current or recent (within the past year) contractors, subcontractors, or suppliers, or any persons or entities that foreseeably may bid on a contract in the future, unless the item is an unsolicited gift of nominal value (\$50 or less), and is one of the following: an advertising item or souvenir that is widely distributed; an honorarium for participating in a meeting; a meal provided at a banquet; or other item that is clearly permitted by state and federal law. Multiple permitted items from a single contractor may not exceed an aggregate value of \$100 in a twelve-month period.

Employees shall inform existing and potential contractors, subcontractors, and suppliers about these restrictions.

8. Employees shall not solicit or accept any gift from a current or potential provider of E-rate services or products in violation of applicable federal E-rate program gifting rules.

9. Employees shall not divulge confidential information to any unauthorized person. Confidential information includes but is not limited to (1) the school system's cost estimate for any public contract, prior to bidding or completion of other competitive purchasing processes; and (2) the identity of contractors who have obtained proposals for bid purposes for a public contract, until the bids are opened in public and recorded in the Board minutes.

10. An employee shall not misuse information in violation of G.S. 14-234.1. Specifically, an employee shall not, in contemplation of the employee's own official action or that of the Board or others acting on behalf of the school system, or in reliance on information known to the employee in his or her official capacity and not made public, to: a. acquire a financial interest in any property, transaction, or enterprise; b. gain a financial benefit that may be affected by the information or contemplated action; or

c. intentionally aid another to acquire a financial interest or gain a financial benefit from the information or contemplated action.

The superintendent or designee shall ensure that all affected personnel are aware of Board policy requirements and applicable laws. Any individual aware of any violation of this policy, policy 2121: Board Member Conflict of Interest, any policies regarding employee conflict of interest, the conflict-of-interest provisions of policy 8305: Federal Grant Administration, or applicable conflict of interest laws shall report such violation in accordance with policy 1760/7280: Prohibition Against Retaliation. Employees who violate this policy, policy 2121, any policies regarding employee conflict of interest, or the conflict-of-interest provisions of policy 8305, will be subject to disciplinary action.

**Gift Prohibition.** Provider acknowledges that it is subject to N.C.G.S. §§ 14-234 and 133-32, which prohibit contractors from providing items of value to school system officials and employees under various circumstances. N.C.G.S. § 14-234, in pertinent part, prohibits contractors from providing to specific school system officers/employees a gift, favor, reward, service, or promise of reward in exchange for recommending influencing or attempting to influence the award of a contract. N.C.G.S. § 133-32, in pertinent part, bars provision of gifts or favors to specific school system officers/employees by a contractor who has a contract, has performed under a contract in the last year, or anticipates bidding on a contract in the future. Provider covenants that no director, employee or agent of Provider, or any other person connected with Provider, has made, offered or given, either directly or indirectly, to any School System Board member, employee, or agent, or to any person connected with the School System, any gift, favor, or item of value in violation of either N.C.G.S. §§ 14-234 or 133-32. Provider agrees that a breach of this provision as identified by the school system may result in the School System's termination of this Contract without liability and/or at the School System's discretion, the recovery of any and all funds paid to Provider pursuant to this Contract. Provider further agrees that to the extent there exists any doubt as to whether its actions have violated, or could violate, this provision, Provider will promptly notify the school system so it can make a determination as to the propriety of the Provider's past or proposed future conduct.
